

Children – hooked on museums!

Creating and educating new audience through educational programmes

Educator Jaana Lehto

TAITE

- Interactive tours in museums
- Workshops
- Supplementary material for teachers
- Educational days for teachers
- Family events (children, parents, grandparents)

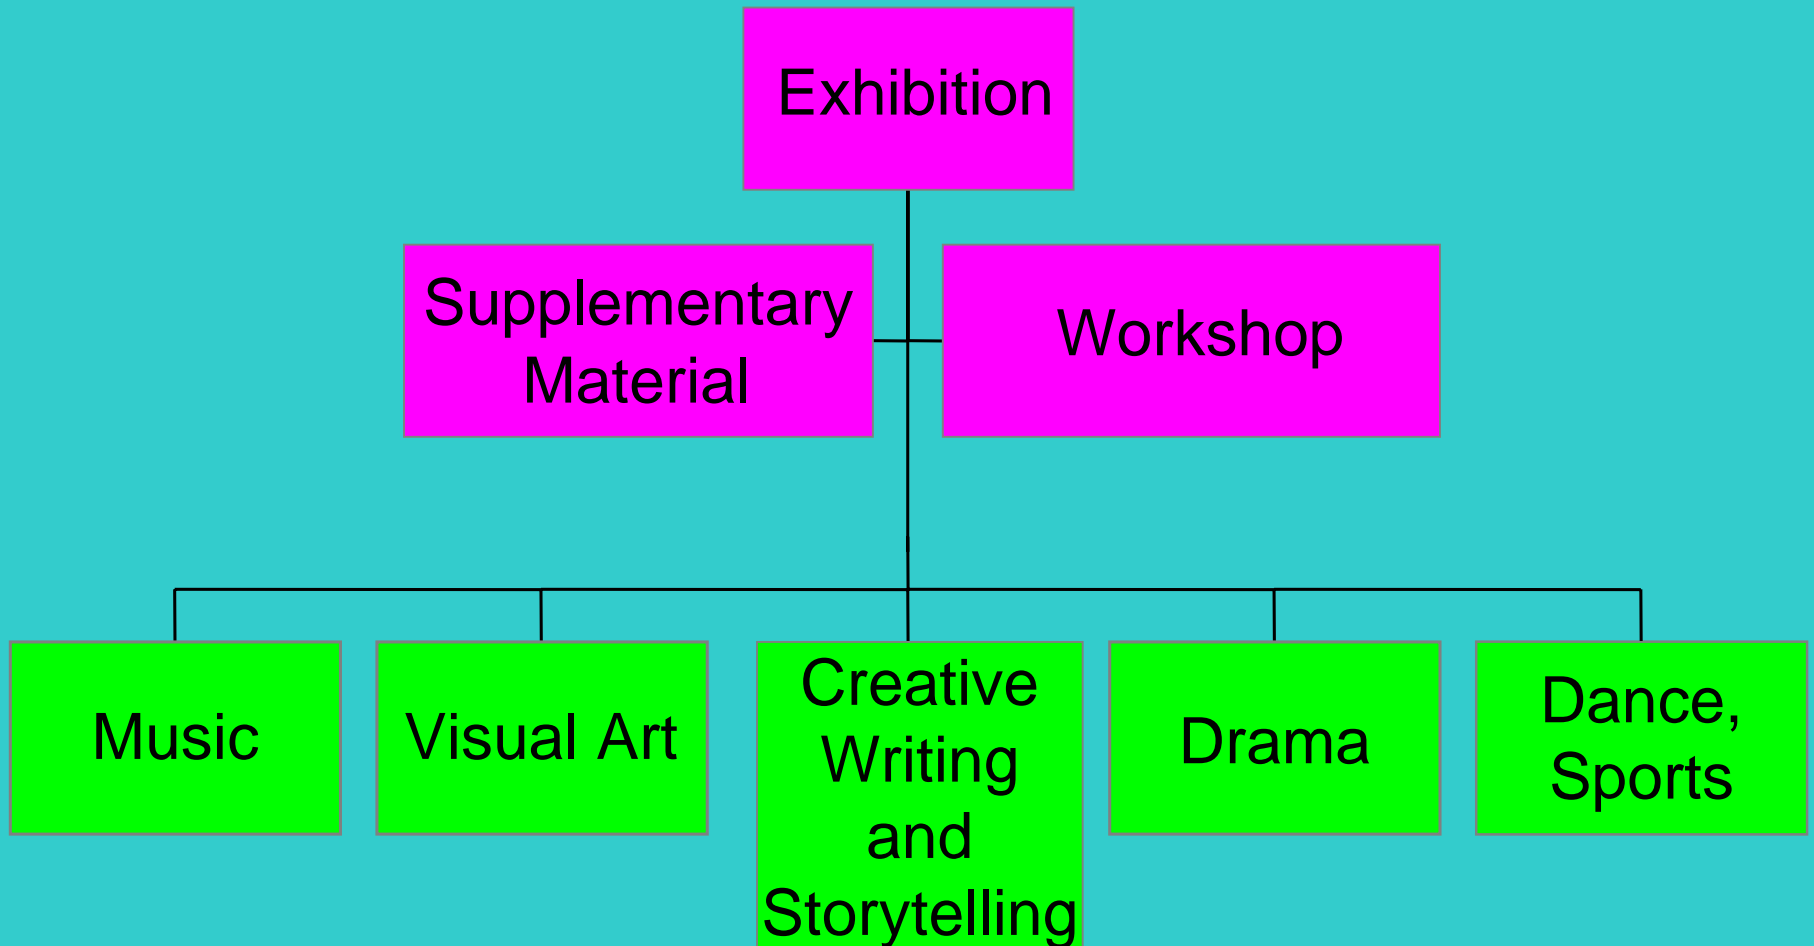

Goals

- Focuses on children's cultural education, including physical education
- offers new kinds of thematic, practical and holistic activities

Goals

- TAITE's activities are free of charge
- Promotes children's well-being and self-esteem and prevents marginalisation
- whole age group of the city (6-7 year olds) takes part to TAITE-activities
- builds cultural bridge between pre-school and primary school

TAITE-unit

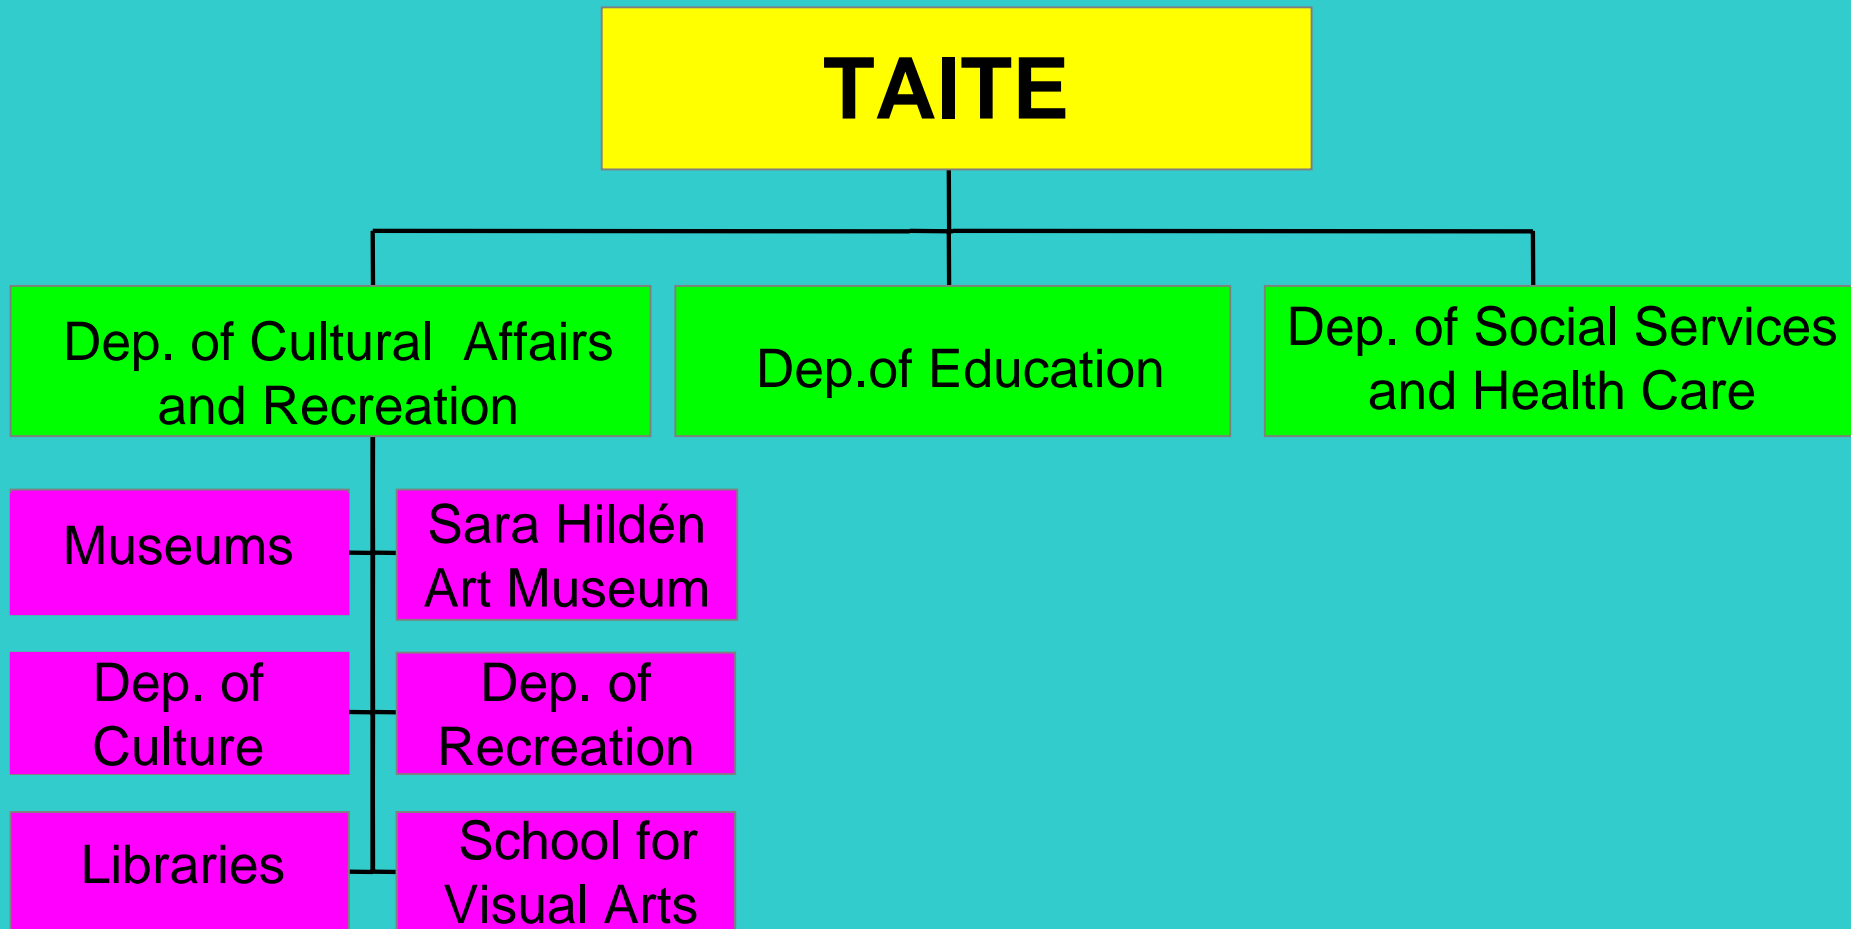

Groups

- Pre-school groups (whole age group in Tampere city)
- First grades in primary school (whole age group in Tampere city)
- Special child groups
 - * child psychiatric clinic school
 - * classes for handicapped children
 - * immigrant classes
 - * other special groups

TAITE - inside City organisation

- integrates several cultural centres and art professionals in Tampere
- develops planning, implementation and functioning co-operation between social services and health care, education, and cultural affairs and recreation

TAITE – cross-administrative form of activity
